[PhD fellowship – Bridging Service Design and Interaction Design for Future Health Services](#)

The Oslo School of Architecture and Design AHO, Norway

Application deadline: March 6, 2016

A design research PhD position is now available to further develop the service design/interaction design research field within the area of healthcare. The position is centered in practice oriented design inquiry using designing as a means to research.

[Vice-President, Academic & Provost](#)

OCAD University, Canada

Consideration of candidates will start in March 2016

The Vice-President, Academic and Provost is the chief academic officer of the University, responsible for driving innovation and excellence across the institution while inspiring the highest standards of scholarly, creative, research and studio work.

[Two Post-doc openings of the Participatory City Making project](#)

ID-StudioLab, TU Delft and Drift, Erasmus University of Rotterdam, the Netherlands

Apply by March 9, 2016

Funded by the Dutch Research programme Research through Design, part of the proposition of The Netherlands Organisation for Scientific Research (NWO) for the Topsector Creative Industries.

[Professorship – Communication Design/ Information Design](#)

Burg Giebichenstein University of Art and Design Halle, Germany

Apply by March 11, 2016

The Design Faculty at the Burg Giebichenstein University of Art and Design Halle is looking to fill the following position for the study programmes of Communication Design and Editorial Design at the earliest possible opportunity.

[Professorship – Three-dimensional Design/Material, Form, Object](#)

Burg Giebichenstein University of Art and Design Halle, Germany

Apply by March 11, 2016

We are looking for an artist or design personality with outstanding competence in design and theory in the area of three-dimensional design, coupled with teaching experience and didactic aptitude. The teaching goal is to impart the close interplay between material and form and to make this tangible as an essential impetus in the design process. Tenure is initially restricted to five years.

[PhD position in industrial design with focus on gender studies](#)

Umea Institute of Design, Sweden

Apply by March 14, 2016

With this position we aim to strengthen a critical dimension in teaching in the Bachelor's and Master's programmes, and thus part of this position is also dedicated to participating in teaching in our programmes and courses at UID.

[Associate Professor in Media Design, Interaction Design](#)

School of Design, Victoria University of Wellington, New Zealand

Apply by June 3, 2016

The Associate Professor role in Interaction Design focuses on delivering high quality teaching, research, and service in the area of Interaction Design.

Other member news

[A process revolutionizing cotton recycling wins the H&M Global Change Award](#)

Aalto University, Finland

The Ioncell-F™ process adapted for the conversion of waste-cotton into new textile was awarded as one of five winners among 2,700 proposals. The process is a joint development of Aalto University and the University of Helsinki supported by VTT, Technical Research Centre of Finland Ltd, who developed an appropriate pre-treatment process for the use of post-consumer cotton.

[CCC Research-Based Master program](#)

Geneva University of Art and Design (HEAD), Switzerland

Application deadline: April 8, 2016

The CCC Research-Based Master program addresses students interested in developing new vocabularies for articulating the political and social implications of a changing world.

[MA: Trans-Mediation, Education](#)

Geneva University of Art and Design (HEAD), Switzerland

Application deadline: April 8, 2016

Trans—, a Master's program in Visual Arts at HEAD—Genève, encourages and develops practices that question the relationships between art and society. Within this new framework, transpedagogy—blending art and education in order to create innovative forms of knowledge production and exchange—is taught and applied.

[Summer Residency Programs](#)

School of Visual Arts, USA

Priority application deadline: April 1, 2016

Applications are now available for SVA's summer residencies in New York City, offering artists, designers and creative thinkers time, space and a supportive community in which to develop ideas and focus on their artistic direction.

[Master Artistic Research](#)

Royal Academy of Art, the Hague, the Netherlands

Final deadline: April 30, 2016

The Master Artistic Research is a two-year interdisciplinary master's, and is a collaboration between the Royal Academy of Art (KABK) and the Royal Conservatoire (KC), both in The Hague. The course is based in the art academy and within fine arts discourse, with an emphasis on the voice and performativity in their broadest sense.

[ZHdK launches first-ever online course on Chinese Contemporary Art](#)

Zurich University of the Arts, Switzerland

The English-speaking online course «Chinese Contemporary Art Award – A Case Study on Global Culture» will launch on 13 April 2016 on the [iversity.com](#) e-learning platform.

[Exhibition: Publishing Rooms](#)

Bonington Gallery, Nottingham Trent University, UK

April 15 – May 20, 2016

Exploring themes of self-expression and posterity, Bonington Gallery will become a facility for self-publishing.
