#### WHO NEEDS TO TAKE THE TEST?

All students interested in the Visual Development track **MUST** submit an Art Test.

Visual Development I, Visual Development II, and Figure Anatomy may also be taken as electives by students in the Illustration track.

Visual Development track students will receive priority enrollment in these courses.

Only Visual Development III and IV are restricted to students accepted into the Visual Development track.

#### BEFORE YOU BEGIN

- Read the Art Test instructions **thoroughly**.
- Instructors are **not permitted to assist** students with the test.
- Please seek feedback from **peers**.

#### WHY TAKE THE ART TEST?

The test is designed to give you a realistic sense of the Visual Development process and help you decide whether this way of working - and this area of the industry - is a good fit for you.

#### ACCEPTED? YOU STILL HAVE A CHOICE.

Being accepted does **not** lock you into the Visual Development track. You may choose to move forward with either the **Visual Development** or **Illustration** track.
